

**MARTIN LUTHER KING, JR. DRIVE  
CORRIDOR TRANSPORTATION STUDY  
PUBLIC MEETING  
Tuesday, January 18, 2005  
Adamsville Recreation Center  
6:00 PM – 9:00 PM**

## **AGENDA**

**6:00 p.m.                    SIGN-IN/REVIEW DISPLAYS AND HANDOUTS**

**6:45 p.m.                    GENERAL SESSION: EXISTING CONDITIONS**

To provide a basis for sound recommendations, the City of Atlanta and Wilbur Smith Associates consultant team will deliver a presentation entitled, "Existing Conditions/Vision of the Future: What Have We Learned? Where Are We Going? How Will We Get There?" The presentation will address the following topics of concern:

- Study Background and Purpose
- Study Schedule and Process
- Existing Conditions (Current Trends and Conclusions)
  - Demographics
  - Land Use
  - Transportation
  - Urban Design
  - Housing
- Draft Study Goals and Objectives
- Review of Major Problems/Needs (including those identified at the October 21<sup>st</sup> public meeting)

Following the presentation, you will have an opportunity to ask questions and/or comment on the information presented. Next, during the charrette portion of the meeting, you will be asked to join one of four groups that will develop comprehensive lists of potential solutions for transportation, land use, housing and urban design issues facing the MLK Corridor.

**7:15 p.m.                    BREAK OUT SESSION: CHARETTE**

**Purpose:**

- Based on the data and information presented, you will collaboratively develop a list of potential solutions to the problems and needs for MLK corridor with other members of the

community. Potential solutions will fall within four planning areas: Transportation, Land Use, Urban Design and Housing.

**Process:**

- Join a charrette group.
- Take some time to discuss your understanding of the problems to be addressed along the entire corridor in each of the four planning areas: Transportation, Land Use, Urban Design and Housing. Please refer to the summary of the top strengths and top issues/needs developed from community input received at the October 21, 2004 public meeting.
- Identify, from the visual aids and tool kits provided, a list of potential solutions to the problems.
- Place each solution on the corridor map and write comments explaining how, where and why the solution should be implemented.
- After identifying solutions for all four planning areas and the entire corridor (not just one geographic location), designate a speaker that will summarize major solutions identified by the group.

**8:30 p.m.**

**GENERAL SESSION: CHARETTE FEEDBACK**

- The designated speaker from each group will share highlights of potential transportation, land use, housing and urban design solutions.
- If time allows, you will have an opportunity to comment on the various solutions and their implications for the MLK corridor.
- Following the presentations, the consultant team will gather all maps and written comments in order to review and organize the recommended solutions into various scenarios for further analysis and evaluation.

**9:00 p.m.**

**ADJOURNMENT**
